ABOUT THE BOOK

In today's rapidly evolving global landscape, women entrepreneurs play a pivotal role in driving economic growth, reducing inequality, and achieving the Sustainable Development Goals (SDGs). This book, "Strengthening Women Entrepreneurship For Achieving Sustainable Development Goals," serves as a comprehensive guide that explores the critical intersections of women's entrepreneurship and the SDGs. By delving into various aspects of women-led businesses, it provides a conceptual framework to understand and support women entrepreneurs in their journey towards sustainable development. The book concludes by emphasizing the integral role of women entrepreneurs in achieving the Sustainable Development Goals. It underscores the importance of continued support, collaboration, and policy interventions to further empower women in entrepreneurship and drive sustainable development worldwide.

"Strengthening Women Entrepreneurship For Achieving Sustainable Development Goals," offers a holistic view of women's entrepreneurship, shedding light on their remarkable contributions and the untapped potential they hold for a more equitable and sustainable future. It serves as a valuable resource for policymakers, practitioners, researchers, and anyone interested in promoting gender equality, economic growth, and the SDGs through women-led businesses.
